Sanctuary
POINT

the Prosperity lot 6

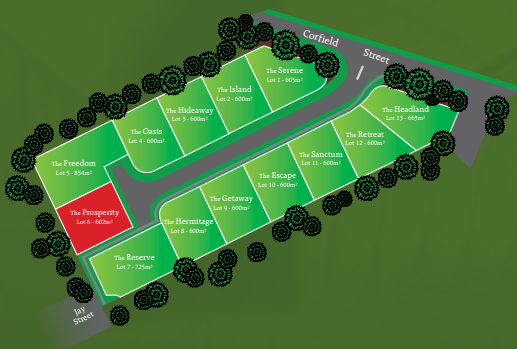

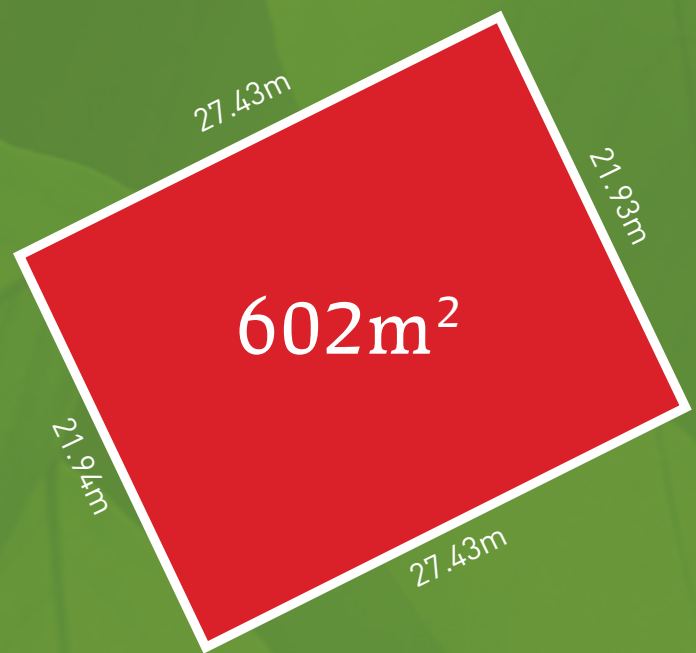

602m²
designer living

There comes a time in life where success is measured not only by your achievements, but by the lifestyle you embrace.

In a mark of its distinction, "The Prosperity" overlooks Sanctuary Terrace much like a chairman of the board. Like fine wines and sumptuous foods, living on "The Prosperity" is a true reflection of your good fortune and the fruits of your labour. Make a statement that says success.

Enjoy your dream lifestyle overlooking the peaceful streetscape of your exclusive Sanctuary Point address.
